CERTIFICATES ACCOMPANYING FORM- A

Certified that no addition has been made to the existing building or portion of a building for which this application has been made. I undertake to obtain a fresh license in case any addition or alternation is made to the existing buildings or portion of a building. I also undertake to obtain a fresh license if the purpose for which the license was granted for the use of the buildings or portion of the building originally is changed or altered subsequently.

Certified that there is no thatched shed available for conducting classes or for any other purpose in the school premises. If any thatched shed is found at a later period after issue of the license, I will be responsible for any accidents and this certificate gets invalid.

Signature of the Owner of the Building

FORM - B
